## You love your dog...

but you don't love having to clean the mess left behind in your yard. Somebody has to do it, but that somebody does not have to be **YOU!**

## Left to accumulate, dog waste will...

1. Ruin the appearance of your property
2. Attract disease carrying pests
3. Offend the neighbors
4. Endanger the health of your pets and family
5. Potentially contaminate the ground water supply

You set the schedule that best fits your needs: weekly, twice a week, monthly, special events, etc. **Call Doggie Doo Not! today to get started!**
